NEWS FROM CALIFORNIA.

ARRIVAL OF THE BROTHER JONATHAN.

Burned District Rebuilt.—Business dull at San Francisco.—Mining prosperous and new Discoveries.—A Thief Lynched at Midnight.—Attempts to Burn the City.—Indians troublesome.—Crops Good.—McManus, the Irish Exile, escaped.—General Lane a delegate to Congress from Oregon.—Crops good in Oregon.

NEW YORK, July 18—1 p. m.

The Brother Jonathan, from Chagres on the 7th, arrived here last night, with 288 passengers and \$465,000 in gold. She brings San Francisco news to the 14th of June.

Most of the burned district is rebuilt, but business generally is stagnant, the prices being below the rates previous to the fire. The markets are overstocked for all staple articles of produce.

News from the mining districts continues satisfactory, and many new and valuable discoveries have been made.

A Sydney convict was arrested on the 10th of June in the act of stealing a safe. He was immediately tried by a committee of two hundred citizens, and hung at midnight, on the plaza, at San Francisco.

Numerous incendiary attempts have been made to destroy the city.

The Indians in the southern section of the State continue to give much trouble.

The agricultural prospects are good—the weather had been fine.

McManus, one of the Irish patriots, had escaped from South Wales, and arrived at San Francisco, where he was warmly received.

Smith O'Brien and the other Irish exiles made an unsuccessful effort to escape at the same time.

Dates from Astoria, Oregon, to the 13th, state that Gen. Lane had been elected a delegate to Congress. The crops looked remarkably well.

LATER. [Second Despatch.]

Additional from California.

James F. Graham and four others drowned.—Gen. Morehead's Expedition.—The New World's Boiler Exploded.—Crime increased at San Francisco.

NEW YORK, July 18—2 p. m.

James F. Graham, a nephew of the Secretary of the Navy, and four others, were drowned at San Puelba Bay on the 28th of May.

Gen. Morehead, with an expedition of forty-five men, left San Diego in May, for some destination unknown.

The boiler of the steamer New World exploded on the 4th, on her passage from Sacramento, killing two persons, and wounding others. Crime at San Francisco has greatly increased.

Junata Freshet—Great Destruction.

HARRISBURG, July 18—m.

Accounts from the Junata represent the damage to the canal and railroad from the recent storm as very great. For many miles the canal is entirely carried away, bridges destroyed, and houses flooded and swept off.

BALTIMORE, July 18—2 1/2 p. m.

Sales of 1,000 bbls. Howard street flour at \$4; Grain is unchanged.

NEW YORK, July 18—2 p. m.

NEW YORK, July 17, p. m.—The Golden Gate arrived here this afternoon from Annapolis. She made a splendid run. Daniel Webster was received most enthusiastically.

The Spanish steamer Pizarro arrived here this evening from Havana. She brings no news of moment.

BOSTON, July 16.—The Rev. Wm. W. Rogers, of Winter street church, had a paralytic stroke yesterday at his residence in Dorchester. Much fear was entertained by his friends lest it should prove fatal, but he is better this morning, and will probably be able to be out in a few days.

The loss by the destruction by fire of Amesbury & Co.'s cotton factory, at North Killingly, Ct., is \$20,000, of which \$10,000 is insured in the Worcester Manufacturing and Mutual companies. Every thing was consumed.

Letters have been received from Vienna, dated June 27th, which mention the release of Mr. Brace.

HARRISBURG, July 17.—Disastrous Freshet.—A terrible and highly finished freshet has occurred on the Junata. An immense amount of property has been destroyed. The river and canal were both as one stream. Several railroad and canal bridges have been swept off, and it is apprehended that the canal and railroad will both suffer greatly. A family, consisting of a mother and six children, were swept off and drowned.
